We finally made it through
All the skys above are blue
It's how it will always stay
As long as you are here
Loving me

In my mind this one thing I know
Is ??
You've raised all my feels
And wanna tell the world exactly what I found

You bring me
Joy, joy, joy
Joy, everyday
Joy, joy, joy
Joy, everyday
That's what you do

You, with you I feel so sure
You hold the keys to thousands dreams
It all comes true fore me and you
Cause high, is how you got me feelin'
Losin' high

Yes I wanna tell the world
How I feel

'Cause you bring me
Joy, joy, joy
Joy, everyday
You bring me
Joy, joy, joy
Joy, everyday
That's what you do

It's what you do
Oh!
I'm gonna try
To make you understand
I spent my happiness, the best on your love
Baby baby baby

I know these girls
Will try to hit on you
??

You bring me joy
Joy, everyday
You bring me
Joy, joy, joy
Joy, everyday
Baby you bring me
Joy, oooh joy
Joy, everyday
