Some people are just afraid

Butterfly I know that you're scared
Hell, I've been there
And baby I am ready to go
And I know you'll go the distance
Despite resistance
Baby I am ready to

Some people are just afraid
Some people are afraid
Some people are afraid
Some people are just afraid

Take a chance don't be afraid
Life's just a masquerade
I promise you'll be safe
I'll always be watching you
I'll shield you from the rain
I can take it from your pain
I promise you'll be safe
I'll always be watching you

Butterfly I know you think I don't care
And life is not fair
Deep down inside you're ready to go
And I know you'd go the distance
Despite resistance
And baby I am ready to

Some people are just afraid
Some people are afraid
Some people are afraid
Some people are just afraid

Take a chance don't be afraid
Life's just a masquerade
I promise you'll be safe
I'll always be watching you
I'll shield you from the rain
I can take it from your pain

I promise you'll be safe
I'll always be watching you

Ooh, Ooh
I'll always be watching you
Ooh, Ooh
I'll always be watching you

I'll be there
Some people are afraid
Some people are afraid
I'll be there
Some people are afraid
Some people are afraid
I'll be there

Take a chance don't be afraid
Life's just a masquerade
I promise you'll be safe
I'll always be watching you
I'll shield you from the rain
I can take it from your pain
I promise you'll be safe
I'll always be watching you

Take a chance don't be afraid
Life's just a masquerade
I promise you'll be safe
I'll always be watching you
I'll shield you from the rain
I can take it from your pain
I promise you'll be safe
I'll always be watching you

Ooh, ooh
I'll always be watching you
Ooh, ooh
I'll always be watching you
