Just like the sunrise, you blind my waking eyes  
Your contradiction, you conquer and divide

I put my heart in it, you couldn't stop spinning your  
spiderwebs  
And you spun me around  
You put your hips in it, I couldn't stop spinning  
The tragedy of repeating history

The last time we danced this dance we're dancing on  
thin ice  
Are we here again?  
Keep your distance, little girl, and watch your step

You feel my impulse, it has you terrified  
I'll thrash your body but I've closed off all my mind

I put my heart in it, you couldn't stop spinning your  
spiderwebs  
And you spun me around  
You put your hips in it, I couldn't stop spinning  
The tragedy of repeating history

The last time we danced this dance we're dancing on  
thin ice  
Are we here again?  
Keep your distance, little girl, and watch your step

The last time we danced this dance we're dancing on  
thin ice  
Are we here again?  
Keep your distance, little girl, and watch your step

Just watch your step  
Just watch your step  
Just watch your step

Love works better when we turn away  
I put it in a letter, watched you burn it  
I tremble with no courage left to say  
That sex is easy, talk talk talk is cheap

You say you'll make it better if you earn it  
Underneath a wicked spell to stay

The last time we danced this dance we're dancing on  
thin ice  
Are we here again?  
Keep your distance, little girl, and watch your step

The last time we danced this dance we're dancing on  
thin ice  
Are we here again?  
Keep your distance, little girl, and watch your step

The last time that we danced,  
The last time that we danced
