I feel for a heartbeat  
His hands are turning blue  
Self Medication  
Will you please get up, get up, get up  
The phones disconnected  
Emergency answer me  
I'm losing my patience  
Will you please get up, get up, get up

Concentrate and tell me can you be honest?  
You made a promise  
Hit it, hit it, hit it  
Til he's breathing and  
Concentrate and tell me can you be honest?  
You made a promise  
Hit it, hit it, hit it  
Til he's breathing again

His breathing is shallow  
I'm know that you're hearing me  
Give me some indication  
That you're gonna get up  
The singing of sirens  
Hang on, they'll be right here  
Defibrillation  
Will you please get up, get up, get up

Concentrate and tell me can you be honest?  
You made a promise  
Hit it, hit it, hit it  
Til he's breathing and  
Concentrate and tell me can you be honest?  
You made a promise  
Hit it, hit it, hit it  
Til he's breathing again

Yeah, I saw the warnings but I ignored them  
Easier to swallow then resolve them  
Tell me can you save him, can you save him  
Lie to me  
Don't lie to me

50/50 chances better than nothing  
Do you need my blood I'll...  
I'll give you anything  
Tell me can you save him, can you save him  
Lie to me  
Don't lie to me

Just

Concentrate and tell me can you be honest?  
You made a promise  
Hit it, hit it, hit it  
Til he's breathing and  
Concentrate and tell me can you be honest?  
You made a promise  
Hit it, hit it, hit it  
Til he's breathing again
