(Neely Pritt)

You'll find happy hearts and smiling faces  
and tolerance for the ethnic races in Denton.

(Harry Weiss)

You'll find a ramblin' rose and a piket fence.

(Emily Weiss)

Tenderness and innocence in Denton.

(Police Officer)

You'll find conference rooms  
and a children's playground.  
Denton is a real OK town.  
Civic pride and civic duty.  
And the Denton girls are full of beauty.

(Brenda Drill and Frankie)

You may call us the goodie goodie two shoes.  
We're here to cheer you with the good news.  
That D-E-N-T-O-N yes DD-E-N-T-O-N thats Denton!
