We're young and divine,  
With a knack for a catchy phrase  
We'll never divide  
Or turn our backs on the ones who prayed

Well we'll travel far  
And right from the start  
We'll start up the car  
And hit the road

We'll drive through the night  
Away from the light  
And into the sun

Yeah, we say what we want to say  
'Cause we're on a throne  
We are the gangs of the underground  
Stay if you want to stay  
Take a piece away  
You are, despite of our daze

We lost track of time  
But the scenery seems to change  
We call it a sign  
When the critics begin to pray

Well we'll travel far  
And right from the start  
We start up the car  
And hit the road

We'll drive through the night  
Away from the light  
And into the sun

Yeah, we say what we want to say  
'Cause we're on a throne  
We are the gangs of the underground  
Stay if you want to stay  
Take a piece away  
You are, despite of our daze

Yeah, we say what we want to say  
'Cause we're on a throne  
We are the gangs of the underground  
Stay if you want to stay  
Take a piece away  
You are, despite of our daze

When it goes, yeah it goes, oh oh oh  
You can take it or leave it to where we're miles apart  
???  
You can make it or break it but everywhere you go  
You keep feelin' the beat, yeah, and everyone knows

Young and divine  
With a knack for a catchy phrase (Yeah everyone  
knows)  
We'll never divide  
Or turn our back on the ones who prayed

We'll travel far  
And right from the start  
We start up the car  
And hit the road

We'll drive through the night  
Away from the light  
And into the sun

Yeah, we say what we want to say  
'Cause we're on a throne  
We are the gangs of the underground  
Stay if you want to stay  
Take a piece away  
You are, despite of our daze

Yeah, we say what we want to say  
'Cause we're on a throne  
We are the gangs of the underground  
Stay if you want to stay  
Take a piece away  
You are, despite of our daze
