Shake that bubble (bubble, bubble)

Baby, baby you wanna  
Baby, baby you gotta  
Baby, baby you wanna  
Shake that bubble tonight

(Â'Cause itÂ's a party)

Â'Cause itÂ's the time  
When the ladies all hit the club  
And weÂ're all leaninÂ' out the line  
Â'Cause we know whoÂ's at the door  
I know you got your eyes set out on me  
IÂ'm breakinÂ' for the dance floor, come with me  
You got me screaminÂ' o-oh!

Fly seniorita, lookinÂ' hot tonight  
Back it on up and enjoy the ride  
Shake it shake it shake that bubble tonight  
Baby, shake that thing tonight, Oh!  
Fly seniorita, lookinÂ' hot tonight  
Back it on up and enjoy the ride  
Shake it shake that bubble tonight  
Baby, shake that thing tonight, Oh!

Shake that bubble (bubble, bubble)

Â'Cause you're the kind,  
Seniorita, that's undefined  
MakinÂ' me lose track time  
ThereÂ's a party, pull the line  
The ladies sayinÂ' Â"Playboy, dance with meÂ"  
You know you shouldnÂ't play your games with me  
LetÂ's hit the backseat, o-oh
