Hey, you got me all up in the chase.

Girl, why ya always in a hurry all the time?

You never seem to want to stay, stay, stay.

Oh oh whoa oh oh

There's a party at the ball wish that you could come along.

Don't you want to blow your cover on another Hollywood?

If you can get away in your undercover way hey heyyy

(Chorus)

Lover, Lover would you say something to me?

(Could keep it short and sweet)

Your got the love that makes a made man out of me.

Hey, you got some boys up in this place.

Why's everybody taking you out all the time?

They never seem to look away.

Oh oh whoa oh oh

There's a party at the ball wish that you could come along.

Don't you want to blow your cover on another Hollywood?

If you can get away in your undercover way hey heyyy

(Chorus)

Lover, Lover would you say something to me?

(Could keep it short and sweet)

You got the love that makes a mad man out of me.

If you can get away in your undercover way we could

make it through the day.

Remember when you go, no ones ever gonna know oh,  
oh, oh okay?

Hey, you got me all up in the chase.

Girl, why ya always in a hurry all the time?

(Chorus) x2

Lover, Lover would you say something to me?

(Could keep it short and sweet)

You got the love that makes a mad man out of me.

If you can get away in your undercover way we could  
make it through the day.

Remember when you go, no ones ever gonna know oh  
oh oh.
