Near Tears - Shonagh Daly

Last night I saw you with somebody new  
So happy and so much in love  
And so I smiled and said 'hello'  
And all the time you didn't know  
I was dyin'  
And I was, near tears

Almost fallin apart  
Near breakin' down  
And running back into your arms,  
Near tears  
Almost barely hanging on  
You didn't know  
That I was so  
Near tears

I felt my world come crashing down on me  
As memories swept across my heart  
And though I never showed a sign  
My heart was breaking deep inside  
And I was dyin'  
I was

Near tears  
Almost fallin' apart  
Near breaking down  
And running back into your arms  
Near tears  
Almost barely hanging on  
You didn't know  
That I was so  
Near tears

I wanted to cry out loud  
And scream 'I Love You'  
Never let you go  
But I just walked away  
And I heard you say 'goodbye its good to see you'  
'Let's meet again'

I said 'I'd love to'  
You were so in love  
And I was

Near tears  
Almost falling apart  
Near breaking down  
And running back into your arms  
Near tears  
Almost barely hanging on  
You didn't know  
That I was so  
Near tears

You didn't know  
That I was so  
Near tears

You didn't know  
That I was so  
Near tears
