I'm so tired I can hardly stand  
Everything I try to grab slips from my hand  
Everything I say is misunderstood  
I, always seem to stand on the wrong foot

I'm waiting for the sun to shine on me  
Cause living life in darkness is not the place I want to  
be

Days are passing by, I'm just getting high  
Faking smiles and telling lies  
Waiting for a sign, make it down the line  
Everything's before my eyes  
Wash away my tears, drowning on my fears  
Every day's a losing game  
Days are passing by, I'm just getting high

Even simple things seem tough  
No matter what I do, it just ain't enough  
Looking for a reason to step outside  
But it seems easier to stay out of the line

I'm hanging by moments from the past  
But I can't deny the fact they disappeared too fast

Days are passing by, I'm just getting high  
Faking smiles and telling lies  
Waiting for a sign, make it down the line  
Everything's before my eyes  
Wash away my tears, drowning on my fears  
Every day's a losing game  
Days are passing by, I'm just getting high

Everybody tells the same old story  
How it's all a fight for love and glory  
It's all a state of mind  
I can see it but I feel bad

Days are passing by, I'm just getting high  
Faking smiles and telling lies  
Waiting for a sign, make it down the line

Everything's before my eyes  
Wash away my tears, drowning on my fears  
Every day's a losing game  
Days are passing by, I'm just getting high

Days are passing by, I'm just getting high  
Faking smiles and telling lies  
Waiting for a sign, make it down the line  
Everything's before my eyes  
Wash away my tears, drowning on my fears  
Every day's a losing game  
Days are passing by, I'm just  
Oh yeah, I'm just getting high
