Define your meaning of war
To me it's what we do when we're bored
I feel the heat coming off of the blacktop
And it makes me want it more
Because I'm hyped up, out of control
If it's a fight I'm ready to go
I wouldn't put my money on the other guy
If you know what I know that I know

It's been a long time coming
And the table's turned around
'Cause one of us is going
One of us is going down

I'm not running
It's a little different now
'Cause one of us is going
One of us is going down

Define your meaning of fun
Is it fucking, drugging or guns
I feel the heat coming off of the blacktop
So get ready for another one
Let's take a trip down memory lane
The words circling in my brain
You can treat this like another all the same
But don't cry like a bitch when you feel the pain

It's been a long time coming
And the table's turned around
'Cause one of us is going
One of us is going down

I'm not running
It's a little different now
'Cause one of us is going
One of us is going down

This is hardly worth fighting for
But it's the little petty shit that I can't ignore
When my fist hits your face

And your face hits the floor
It'll be a long time coming
Bet you got the message now
'Cause i was never going
Yeah, you're the one that's going down

One of us is going down

I'm not running
It's a little different now
'Cause one of us is going
One of us is going down

One of us is going down
