Verse 1: Regain the love and lose the sex, save what's best.

After that there's absolutely nothing here that's left.
Between you and me now we see, after that we were
never really meant to be.

Chorus: And now I'm down on my knees, I'm begging
you to please for give me
For all that I've done. It's time to tame the temptation.

Verse 2: Regain the love and lose the sex, save what's
best. After that there's
absolutely nothing here that's left. Between you and
me now we see, what was
right. But I gave into the lies.

Chorus: And now I'm down on my knees, I'm begging
you to please for give me
For all that I've done. It's time to tame the temptation

Bridge: Regain the love, can you tell me? Regain the
love, can you tell me? Am
I past the point of no return? Can you tell me? Am I past
the point of no return?
Can you tell me? No, I really don't think so!
