Intro]

I just wanna hold you in my arms

Oh oh oh yeah

All alone by the phone

Waiting on you to call on a busy weekend

Tell me have I seen when I stayed around

Around the town waiting on you to tell me what to do

Cuz I'm happy being with you

1 Touching you holding you

Is all I really wanna do

Day and night I just can't get enough

I want you more and really need

For you to just believe in me

And I'll be giving you all of my love

It's just a wish on my mind

Hoping you'd have the time

When I wanna see you

For something to hold on to

If love is just a silly game

Then I'm a fool that sang for loving you

Still I feel you don't have nothing to prove

Repeat 1

Maybe on tomorrow

I can show you years tomorrow

If you let me, baby we'll see

And we can get together

We can try to blend forever holding tightly

Then baby we can do what we want to

Repeat 1

Repeat 1
