It was love at first sight  
I know from the way she looked at me  
Her eyes said it all  
Long days and nights we spent  
Until she dropped the bomb on me  
When she said that she  
Was unhappily married with children[CHORUS]  
And I wish I never met her at all  
Even though I love her soShe got love from me  
But she still belongs to someone else  
It hurts so bad for sure  
Because she wants to be with me  
But she cannot be with me  
She chose to stay, at home  
So they could be a familyFor the children  
But what about me?  
[CHORUS]  
Maybe in another life  
Things could be the way we both desired  
It's a catch-22Either way it hurts  
Someone that you lose

[CHORUS] (x2 with some adlibbing)

I wish I wish I never met her at all

I wouldn't hurt so much inside

Oh I wouldn't feel this pain

If I never met her at all, at all, at all

Wish I never, wish I never
