Let's rock it
Yeehaw!
Sip it, sip it, sip it, sip it up

Walking down the street, just tappin' my feet
Click-clackin' my feet
Highjackin' the beat, uh
Walking down the street, just about to let go
You haven't been so high, you feel kinda low
I wanna take a ride in a pick up truck down south
Sunflower seeds in my mouth
I wanna take a ride in a pick up truck down south
Ya'll know what I'm talking about, uh

Close my eyes
Swimming through the grass again
Been a city girl all my life
It's time
Yes, it's time

Country lemonade
Sip it, sip it, sip it, sip it up
Sprinkle your sunshine all over my face
Country lemonade
Sip it, sip it, sip it, sip it up
Sprinkle your sunshine down
Let it fall like rain all over L.A.

Bring it, bring it, bring it in, what?

Ridin' in my truck just haulin' some ass
I love it, I feel so tall in the grass
Don't ask, 'cause I'mma get so Big & Rich
Shit, and get high with the Dixie Chicks
Take a hit (ahh)
Puff The Magic Dragon
I wanna take a ride in a sick red wagon
I wanna take a ride in a pick up truck down south
A pick up truck in ya mouth

Close my eyes

Swimming through the grass again
Been a city girl all my life
It's time
Yes, it's time

Country lemonade
Sip it, sip it, sip it, sip it up
Sprinkle your sunshine all over my face
Country lemonade
Sip it, sip it, sip it, sip it up
Sprinkle your sunshine down
Let it fall like rain all over L.A.

Saddle up, everybody's gonna ride away
Off into the sunset, we'll be back some day
Yipee-kai-yay, gee wiz, gee golly
Big ups, big ups to my homegirl Dolly

Take this pick up truck all the way to Nashville
Check it, check it
Big ups, big ups to my homegirl Dolly
Check it

Country lemonade
Sip it, sip it, sip it, sip it up
Sprinkle your sunshine all over my face
Country lemonade
Sip it, sip it, sip it, sip it up
Sprinkle your sunshine down
It's like a brand new pick up truck in ya mouth
