What?
Come on!
Straight outta the gate into ya face, check it
Oprah for President in two thousand and eight (come on!)
Come on! What? Yo!

We're gonna make some noise, motherfucker gotta whistle
You rule the world already, let's just make it all official
Yeah you got the bass
Yo, you got the bones
You got what it takes
To work a fuckin' room
Diamonds on your neck
Diamonds on your grill
How 'bout you take them diamonds up to Capitol Hill?
You know there's nobody else more qualified
We gotta storm D.C. and work it out from the inside

Oprah for president
Yo, I can't hear you
Oprah for president
Let's make it come true
Oprah for president
You know we love you
Oprah for president
But what the fuck is wrong with you?
What the fuck is wrong with you?

You got the brains, you got the names, you got the fame and all the power
And you can stop the clock before we reach the final hour
If you really get the nod
Then Gail should be Vice
Some competissy in the White House?
Now that would be nice!
The good guys love you
And the bad guys fear you
And even David Letterman, he wants to be near you

I'll be front and center when you win that day
I can't wait to see the faces on the KKK

Oprah for president
Yo, I can't hear you
Oprah for president
Let's make it come true
Oprah for president
You know we love you
Oprah for president
But what the fuck is wrong with you?
What the fuck is wrong with you?

Oprah '08, Oprah '08, Oprah '08, Oprah '08...
Oprah
Can you hear us?
We're comin' for ya
Oprah in '08
Oprah '08, Oprah '08, Oprah '08, Oprah '08...
C'mon, lemme hear you say
Oprah in '08
What, what?
Oprah in '08!

Oprah for president
Yo, I can't hear you
Oprah for president
Let's make it come true
Oprah for president
You know we love you
Oprah for president
But what the fuck is wrong with you?

Oprah for president
Yo, I can't hear you
Oprah for president
Let's make it come true
Oprah for president
You know we love you
Oprah for president
But what the fuck is wrong with you?

Oprah for president
Yo, I can't hear you
Oprah for president
Let's make it come true
Oprah for president
You know we love you
Oprah for president
But what the fuck is wrong with you? (we're comin' for ya!)

Oprah for president
Yo, I can't hear you
Oprah for president
Let's make it come true
Oprah for president
You know we love you
Oprah for president
But what the fuck is wrong with you?
