So, send me a postcard  
Send me a three-by-five  
Letting me know you're still alive  
Say you'll visit December  
Send me a sorry note  
Tell me you forgot to remember

I gotta dip, I hope you don't flip  
It's just a little too deep for me to deal with this shit  
I don't understand what's goin' on with you  
I don't get it. I guess I don't get it.  
Funny, you never cared much to get it before  
That's not true, hey, that's not true  
I waited all night. Where were you?  
Yo, you don't get it. You just don't get it.

We're not going anywhere  
We're running round in circles  
Why are we talking about this?  
I don't know, so let's just stop

So, send me a postcard  
Send me a three-by-five  
Letting me know you're still alive  
Say you'll visit December  
Send me a sorry note  
Tell me you forgot to remember

Listen up, I promised that we won't lose touch  
But you say that my promises don't mean much  
What do you expect from me?  
I don't see it, I just don't see it.  
Yeah, you're pretty blind to a lot these days  
That's not true, hey, that's not true  
I can see I'm not important to you  
No, you don't see it. You just don't see it.

You put confusion in my head  
And now, I can't get it out  
Why don't you leave and get it over with?  
So let's just stop (stop)

So, send me a postcard  
Send me a three-by-five  
Letting me know you're still alive  
Say you'll visit December  
Send me a sorry note  
Tell me you forgot to remember

Yo, the clock can't stop  
The past is gone  
So I guess that it's best that we both move on  
I got things to do  
You got people to see  
I think I'm holding you back  
I think I'm just gonna leave  
Yo, I think I'm just gonna leave (come on)

So, send me a postcard  
Send me a three-by-five  
Letting me know you're still alive  
Say you'll visit December  
Send me a sorry note  
Tell me you forgot to remember

So, send me a postcard  
Send me a three-by-five  
Letting me know you're still alive  
Say you'll visit December  
Send me a sorry note  
Tell me you forgot to remember

So, send me a postcard  
Send me a three-by-five  
Letting me know you're still alive  
Say you'll visit December  
Send me a sorry note  
Tell me you forgot to remember

So, send me a postcard  
Send me a three-by-five  
Letting me know you're still alive  
Say you'll visit December  
Send me a sorry note  
Tell me you forgot to remember
