You don't know me

But I'm the girl that lives downstairs

Apartment 214

The girl with long brown hair

I know you've seen me

'Cause I've seen you

But we've never spoken

I haven't met you

but I want to

I haven't kissed you

but I need to

I don't know you

But I want to

Yeah I want

Please forgive me

I know this is kind of strange

To stop you here out of the blue askin' your name

But I couldn't let another day go by

Bein' strangers

I haven't met you

but I want to

I haven't kissed you

but I need to

I don't know you

But I want to

Yeah I want to

Yeah I'd love to get to know you better

Maybe we could get together sometime

Oh anytime

At all

La, la, la, la, la, la, la

La, la, la, la, la, la, la

La, la, la, la, la, la

I haven't met you

but I want to

I haven't kissed you

but I need to

I don't know you

But I want to

Yeah I want to

I want you

I haven't met you

but I want to

I haven't kissed you

but I need to

I don't know you,

but I want to

Yeah I want to

Oh I want to
