Things I would do

Apolgize

Bite my tongue

Swallow my pride

Just shut up

Change my tune

Clip my wings

Take it back

Everything

Things I would do just to have you back again

I'd single handly prove to you that I can

Fight for you, cry for you, I'd live and die for you

These are just some of the things I would do

Bury that hatchet

Burn that bridge

Ride my high horse

Right off of that cliff

Move that mountain

Cut it down to size

Sieze the moment

Compromise

Things I would do just to have you back again

I'd single handly prove to you that I can

Fight for you, cry for you, I'd live and die for you

These are just some of things I would do

Ahhhhh

I miss your hands, your face, your laugh, your smile

The sweet, sweet kiss

The ones that used to drive me wild

Do, do, do, do

Do, do, do, do

Ahhh

Do, do, do, do

Do, do, do,do

Things I would do just to have you back again

I'd single handly prove to you that I can

Fight for you, cry for you, I'd live and die for you

These are jsut some of the things I would do

If looks could kill

I'd be shootin' blanks

Stop stirrin' stew

Start givin' thanks

Stop spinnin' my wheels

Apologize

Bite my tongue

Swallow my pride

Take it back

Compromise

Just shut up

I'll shut up

Do, do, do, do
