Never ask my age
Guilty pleasures reminiscence for the ageless on
mission
Numbers seemed old today
Guilty pleasures reminiscence, 40 years adolescent

We'll be running to the, we'll be running to the hills.
And we'll be coming, ww'll be coming down the
drunken lane
Never tired of the game
Guilty pleasures reminiscence, Discodads on a mission

We will not go home
Stayin' alive for life
I'm so glad we're made of it
Age dislocated
Blinding lights age undefined

And we'll be alright tonight

Feel my heart beat now
We own the night tonight
We own our lives for life
Clever men, never fell
Never will for a life
In a house baby trends
With a bride
It's a life in denial
It's a life but-

We will not go home
Stayin' alive for life
I'm so glad we're made of it
Age dislocated
Blinding lights age undefined

And we'll be alright tonight

Never ask my age
Never tired of the game

Guilty pleasures devilicious
Morally unambitious
Guilty pleasures unambitious
On behalf of disco devilicious
And as the son of all that is bad, how you like me now?
And as the centerfold that I am, who you like me now?
