"Give In"

For you
I'm drunk for the sake of the truth
It's this pretentious pride
That I wear
As an over-sized shell of fear

What would you say
To be my lover and best friend?
Is this the way that you feel?
Is there no bitter end, no bitter end

Give in
To your mind
Slowly believing
Leaving the old me to die, love
Be there until the end
Won't you be there until the end
Till my heart slows me down

So are you
Running hearts running faster
Because I want to see running hearts in disaster

Be my love and my best friend
Kindred souls unveil
I will never regret what we had
What we have

Give in
To your mind
Slowly believing
Leaving the old me to die, love
Be there until the end
Won't you be there until the end
Till my heart slows me down

(No, I'll never let you go, I'll never let you go)

The fear of a loss
The hunger might cost
I'll take all my chances

Man with a cause

So please don't regret
I don't want you to forget

Give in
To your mind
Slowly believing
Leaving the old me to die, love
Be there until the end
Won't you be there until the end
Till my heart slows me down
