Okay oh this is literal
This is the mourning inside of a beast
Can you really think about trust
Really think about just
It's on repeat

Scarred by omens
Scarred by omens riot
Can I believe
Can I believe
Can I believe you
Scarred by omens
Scarred by omens riot
Can I believe
Can I believe
Can I repeat you

Open wide to the you inside
We'll lead our ghosts and wander off

No, this ain't no one eyed witch hunt
This ain't no ghost house
It's a disease
So I think I might combust
Turn my bones into dust
It's on repeat

Scarred by omens
Scarred by omens riot
Can I believe
Can I believe
Can I believe you
Scarred by omens
Scarred by omens riot
Can I believe
Can I believe
Can I repeat you

Go reach out and breathe for us
There is something in spite of you
My love

In time these purple hills
Amount of pills
Will blur it out

Open wide to the you inside
We'll lead our ghosts and wander off

Riot!
Scarred by omens riot!
