"Gearjammer"

Running my rig around 95,
Rocking and a rolling in overdrive.
My heart is beating like a jackhammer.
It's a midnight ride for the gearjammer.

Nine long days through twenty-three states.
I've gotta see my baby soon, you know I just can't wait.
Yeah, if the police catch me, I'll end up in the slammer,
Cause the law don't want no gearjammer.

Running my rig in a mighty high gear.
I don't care where I go, as long as it ain't here.
If something gets in my way, you know I'm gonna ram
her.
Nobody fools around with this gearjammer.
