I want to tell you a story, every man ought to know  
If you want a little loving, you got to start real slow  
She going to love you tonight, if you just treat her right  
Aw squeeze her real gentle, got to make her feel good  
Tell her that you love her, like you know you should  
She going to love you tonight, if you just treat her right  
If you practice my method, just as hard as you can  
You gonin' to get a reputation, as a lovin' man  
Yea you'll be glad everynight, that you treated her right

Hey hey hey, yeah, treat her right, yes baby, listen to  
me  
What you talkin about, hey, treat her right  
Yeah, alright
