The shadow I cast,
Well it weighs more than my soul,
It's the only proof that I am here at all.

I will cordially invite you,
If you promise to accept,
Under no uncertain terms,
Will you be second best.

So unwind this mortal coil with me,
'Cos your darkness is a light, to me.

All of my colour,
Is bleeding away,
So now you watch me fade,
Into the endless grey.

I keep the, inevitable at arm's length,
Pushing back with all my strength,
But it's not enough.

While my heart will collapse like old clay,
Heed my warning,
Stay away.

All of my colour,
Is bleeding away,
So now you watch me fade,
Into the endless grey.

All of my colour,
Is bleeding away,
So now you watch me fade,
Into the endless grey.

All of my colour,
Is bleeding away,
So now I walk alone,
Into the endless grey,
Into the endless grey.
