Revenge at the tip of my lips

Grip on my fifth and brought my big K back

Y'all don't understand some of the pain I go through

Half of y'all can't even dig it

Y'all can't even picture

A motherfucker killin someone you close to

And they say it's over someone you close to

And they family approach you

And you dealin wit his family emotions

And these motherfuckers say you ain't focused at the
same time

But they wasn't on the same vibe

I remain calm

This aim mine when it's game time

Though you gone dog you spirit still wit us

For the clueless we just clearin the picture

And we airin them niggaz

Ridin hard 'til we bury them wit'cha

Show you how much we care for you niggaz

And I'm ready to pop

My crew to 'for they let me get popped

Big you had the Mafia
Me, I got the Property
Got a lot of these fake families out here copyin
But nigga trust Ima flush all this bullshit
All this fake Tupac and fake Suge shit
We ain't the first to make hood shit
We ain't invent the wheel
But we made the Goodrich tire
And Now we hood rich
And I rhyme like my momma still in the hood shit
But my momma got V12 under the hood
She got C-L on back of the 6
Now my only job is to help little Chris
Get his momma out this bitch
Avoid the drama out this bitch

Just lost another one
We'll always love you dog
Just like my mother son
My second brother dog
They say we go to hell
When he die we ain't lose 'em
But Hov say "throw it up" so we gotta keep it movin
So me I maintain
But it's stress on my brain
But your death ain't in vain
Lost my breath when it came and uh
They say we joyce in death but the pain

Best believe my first boy gon' be blessed wit your
name
All that's left is your face on the picture
On my dresser in the frame
And it just ain't the same I'm like
Dam man, how my another homey missin
Not to mention big homey stressin
Where do I go for advice
Man it's shows every week
But it's bodies every night
Men is cold on these streets and uh

Now it's no turnin back, it's like a gat
Once you pull it dog you never put it back 'til you clap
Tell the hood I'm back this ain't rap
This is shit I'm just tellin you on a track, I relax
Niggaz fell into the trap
You like a puppet wit no strings
We hella good at that, in fact
Exactly where you at is where we wanted you for
months
So we could come thru wit Mack and hrrraatt
This is war my niggaz
Y'all niggaz is drawn like cartoon figures, it's a fact
We pour out a little liquor cause we lost a couple
niggaz
But we bout to get y'all back, we sat
We plotted y'all demise
