From the number one, R-O-C  
We got another one

*[Verse One - Young Neef]*

Yo its a big payback  
Revenge at the tip of my lips  
Grip on my fifth and brought my big K back  
Y'all don't understand some of the pain I go through  
Half of y'all can't even dig it  
Y'all can't even picture  
A motherfucker killin someone you close to  
And they say its over someone you close to  
And they family approach you  
And you dealin wit his family emotions  
And these motherfuckers say you ain't focused at the  
same time  
But they wasn't on the same vibe  
I remain calm  
This aim mine when its game time  
Though you gone dog you spirit still wit us  
For the clueless we just clearin the picture  
And we airin them niggaz  
Ridin hard 'til we bury them wit'cha  
Show you how much we care for you niggaz  
And I'm ready to pop  
My crew to 'for they let me get popped  
Rest in piece A-L, O-reddy, and Hop

*[Verse Two - Jay-Z]*

The commission was our vision  
We ain't it see it come to fruition  
We ran outta time dam  
You think I'm just a fan you out your mind  
That was my motherfuckin man and my partner in  
crime  
Big you had the Mafia  
Me, I got the Property  
Got a lot of these fake families out here copyin  
But nigga trust Ima flush all this bullshit  
All this fake Tupac and fake Suge shit  
We ain't the first to make hood shit  
We ain't invent the wheel  
But we made the Goodrich tire  
And Now we hood rich  
And I rhyme like my momma still in the hood shit  
But my momma got V12 under the hood  
She got C-L on back of the 6  
Now my only job is to help little Chris  
Get his momma out this bitch  
Avoid the drama out this bitch  
(They'll Never Take Me Alive!!!) *[Young Chris]*

*[Verse Three - Young Chris]*

Just lost another one  
We'll always love you dog  
Just like my mother son  
My second brother dog  
They say we go to hell  
When he die we ain't lose 'em  
But Hov say "throw it up" so we gotta keep it movin  
So me I maintain  
But its stress on my brain  
But your death ain't in vain  
Lost my breath when it came and uh  
They say we joyce in death but the pain

Best believe my first boy gon' be blessed wit your  
name  
All that's left is your face on the picture  
On my dresser in the frame  
And it just ain't the same I'm like  
Dam man, how my another homey missin  
Not to mention big homey stressin  
Where do I go for advice  
Man its shows every week  
But its bodies every night  
Men is cold on these streets and uh  
Niggaz know the police  
And the drama its still there  
And my momma she still there  
(They'll Never Take Me Alive!!!) *[Both Young Chris and

Now its no turnin back, its like a gat  
Once you pull it dog you never put it back 'til you clap  
Tell the hood I'm back this ain't rap  
This is shit I'm just tellin you on a track, I relax  
Niggaz fell into the trap  
You like a puppet wit no strings  
We hella good at that, in fact  
Exactly where you at is where we wanted you for  
months  
So we could come thru wit Mack and hrrraatt  
This is war my niggaz  
Y'all niggaz is drawn like cartoon figures, its a fact  
We pour out a little liquor cause we lost a couple  
niggaz  
But we bout to get y'all back, we sat  
We plotted y'all demise  
Got a box wit yo' size and your name attached  
How you lu'dat  
Its only right  
B-I in L-A  
God bless your life
