Welcome to the world
Of neurotic minds
Created for gods
That you never see
They want take your mental health
and freedom (freedom)

And if you are a pacific soul
God will bless you
Of some mysterious forms
He will put you in the hell forever,
Not in heaven

Don't worry mortal
There's no reason
The purgatory is something unreal
Created by men
To corrupt all humanity

Many people are living with fear
Thy gods cross out your ideas
You must know the reality
Ask to gods when here they will appear

Finally I know the truth
And thy spirits stay only in my mind
No more, no more shadows in my mind
Don't preach me your lies and never
Crucify me with your ignorance and despair

Your faith is vain,
And vain is every word that you say
Words of emptiness and inexistent deeds

(Solo - Reinhold)

Seeks you, lies to you
Blinds you, Evil

God's Kill, minds steal
They are Evil

I think, you think
Are we evil ?

Our Souls are free
We are Evil !
