Lords of the night
I seek my queen
Yi-Belle is your name
Black lips, deep sight, sweet skin
Wild thing, my soul is yours
Infinite sin

Lady of the night
All your desires I satisfy
Like burning fire
Pleasure and pain

Hear my calling
Skin of fire
Sweet desire

(Solo - Reinhold)

She gives me passion
Her depravation
Oh evil great

Erotic pleasure
My inspiration
You're my Yi-Belle

My divine woman
You can to show me
My perversion

I want more muses like you
For wet paradise

Skin of fire
Sweet desire

Skin of fire
Sweet desire
