I turn my head against the time

Trying to rewind

Still the moment is real

Breathe once more just breathe

I don't want it all in me

I just don't want it all ,just want you

Always sat together in the sun

Drinking. having fun

Now i sit alone

Oh god where did the time all gone

I've been looking every sence the day you disappeard

I'm still looking for you my dear

I don't want it all in me

I just don't want it all just want you

Just want you

I want you

I don't wan't it all in me

I just don't don't want it all just want you

I just want you

I just want you

Oh i just want you!
