So this dream comes to an end.  
An open book with laced-white powder.  
These days are turning red.  
Their eyes stare up at me.  
No this is not a fairy tale.  
It's ghost and the dead whom smile.  
All these kings in corpses want this sweet tasting pill.

Is it the beauty of a nightmare?  
Haunting dreams that will never die.  
They live inside Jennifer's blue eyes.  
Is it just a ghost?  
Another girl who is naked.  
Laying on the carpet with no.  
Lies roll in my head.  
Can't escape these dreams of the undead.  
Lies roll in my head.  
Can't escape this, can't escape this!

A dollar bill that killed the light,  
Sudden dreams that manifest inside all of her lies.  
But is it only me?  
Am I just the poison.  
Laying on the carpet with no pulse?  
Blood on the TV screen.  
Antiques that hide her games.  
It tells it all! tells it all! TELLS IT ALL!

Is it the beauty of a nightmare?  
Haunting dreams that will never die.  
They live inside Jennifer's blue eyes.  
Is it just a ghost?  
Another girl who is naked.  
Laying on the carpet with no. (X3)

Lies roll in my head.  
Can't escape these dreams of the undead.  
Lies roll in my head, can't escape this, can't escape  
this!
