

Silence, The "Fortissimo Y Vivace"

(Now children, are you sitting comfortably?
Then I'll begin!)

Red wine and a book of rapture
Burned wax dead glistening
Melt me into a candle so I can burn and shine
Re-use the mold and light me up (and shine! and
shine)

Eternity I will live forever

Find the words from last summer
(prestissimo vivace)
Adolescence slowly fading away

Look up into the mirror what do you hope to see this
time?
Unchanging, undying voices,
Or unconditional love that doesn't exist?
A scavenger? A vulture? A Demigod? Melted wax?

Find the words from last summer
(prestissimo vivace)
Adolescence slowly fading far away from here
Cry these words left unspoken
(prestissimo vivace)
Watch them as they fall into despair

Can you feel my heart as it feels so lonely?
A me la mia miseria e un chiaro giorno d' estate
Que and'ogni aspetto dagli alit miseria

Find the words from last summer
(prestissimo vivace)
Adolescence slowly fading far away from here
Cry these words left unspoken
(prestissimo vivace)
Watch them as they fall into despair
Fall into despair

Find the words from last summer

(prestissimo vivace)

Cry these words left unspoken
(prestissimo vivace)
Watch them as they fall into despair
Fall into despair

Fall into despair
Fall into despair
Fall into despair
