Would you walk away as the skin upon me melts into
the sea?
Can you fill me up if and when I am empty or would you
laugh at me?
Photographs of you taped outside the storyboard
called life
Would you walk away as the skin upon me melts into
the sea?
Can you fill me up if and when I am empty or would you
laugh at me?
Or would you walk away?
You're looking beautiful today
Tear apart this lonely boy, taste the cup of tears of joy
as I fade away
Oh help, I'm thinking too much of that place
Oh help, I feel like dying and that scares me
So please don't walk away (please don't walk away)
You're looking beautiful today
Tear apart this lonely boy, taste the cup of tears of joy
as I fade away
It feels good
Feels like it's going to rain, feels like I am going insane
It's my life as I fade away
Cannot take another loss
Cannot lose another friend
Loneliness and the clemency, black and white of the TV
screen,
all the lines that make it glow, photographs of loved
ones that are gone
Kill the pain please
Just know I loved you all
Just know that I will not fade away
I will see you soon, it is the only thing I can guarantee in
my life
