Around The Six-One-Nine
I'll Be Bumping The Oldies
In The Background
Im Were? With My Cutie Pie
Cruzing Slow Through Streets
And Shes Kissing Me
Not Paying Attention To All Of The Haters
That Wanna Be Dissing Me
Im With My Lady
She Looking So Good
That She Making Me Swurve
She makes Me Feel So Good
Im Hitting Switches On The Curb
I'll Be Your Silencer
And I'm The One That You Deserve
I'm Having A Good Time With my Baby
Please Do Not Disturb
I Wanna Make Love To You Tonight
And Till The Break Of Dawn
In The Room On The Bed We Can Do It All
Crystal I Love You
With My Heart And I Belong To You
This Is My Dedication
And I Wanna Make It With You

Like Zapp & Roger Said "I Wanna Be Your Man"
Lets Get Away Together
Take You To Another Land
So We Can Be Alone
Far Away From The World
Remember The Time,
When I Use To Blow Kisses Right Over The Phone
I Never Felt This Kind Of way For Any other Girl
Thats Why I Shower You With Diamonds
Baby Heres The World
Mija Remember,
I Will Always Be By Your Side
You Are The One I'm Thinking About
And I Be Rapping About
That Aint No Lie
I Feel The Connection
Baby I'm Your Protection
I'm So Addicted To You Love
You Are My Medication
Layin On The Bed
And We're Striaght Bumpin Computer Love
Remember The First Time We Kicked It
I Told You I Will Be Your Thug
Always & Forever
I Love When We Are Together
Cruzing In My Lowride
Through Out The Sunny Weather
When I'm With You
Theres Something That I Can't Explain
And If You Leave Me,
My Life Will Never Be The Same

Chorus:

I Wanna make Love To You Girl
Yes I Wanna Do It All Night Long (All Day Long With You)
And I Wanna make Love To You Girl (I wanna Make It
With You)
Shooo Let Me Share Your Bed Tonight

My Beautiful Lady, My Baby
You know That I Love You,
With All Of My Heart
Mija,
Without You theres No Need,

Te Necesito En Mi Vida
Confessing A Feeling
Like The Oldie This How I Feel
Just Listen To The Words
Baby I'm For Real
I Wanna Hold You
Remember what I Told You,
That I Will Treat You Right
Just Like A Real Man Is Suppose To
I Gotta Do Everything Right For You
When We Not Together I Fiend For You
I Got You Inside Of My Heart
And Inside Of My Mind You're Beautiful
This Is How It Is
And Thats How Its Suppose To Be
