Love can you hear me?
I'm calling to you

Beyond the fields of Avalon
I found a new lover
It's her I lay my lips upon
When my emotions uncover

Even when she's far away
Beyond my fences
I know that she will never stray
Beyond my senses

Love can you hear me?
I'm calling to you

When her kisses touch my soul
I feel embraced by the diva
And then my spirit unfolds
And shakes me like Shiva

Beyond the gates of Babylon
I found a new lover
It's her I lay my lips upon
When my emotions uncover

Love can you hear me?
I'm calling to you
My heart is on the line
