If it takes away the pain it's alright  
We're livin so hard you might not make it through  
tonight  
Follow the bright lights  
They might change you  
If you get lost along the way it's alright

We'll find another way to dance  
We'll find another way to dance  
If you get the chance  
You must dance dance dance [x2]

If you get caught out in the storm it's alright  
I'LL ROCK YOU so hard you cant stay dry when you're  
out tonight  
Stare at the bright lights

They might blind you  
Look at them to long and you might see it's alright

We'll find another way to dance  
We'll find another way to dance  
If you get the chance  
You must dance dance dance [x2]

Be what you believe  
Stand up break free  
Be what you believe  
Bright lights can't see [x2]

We'll find another way to dance  
We'll find another way to dance  
If you get the chance  
You must dance dance dance [x2]
