Trying hard to have a good time, you bring me down  
Always talking to another guy when we go out  
Don't I hold you enough, it seems that I don't have  
much to say  
(Nothing to say to you)  
Should I find someone else, should I forget you like you  
were yesterday

No, no, take it or leave it, no, no, I take it we're leaving  
No, no, take it or leave him, no, no, I take it you're  
leaving

Every time I try to get high, you bring me down, down,  
down  
Wonder who I'm out with, when you're not around  
I can't stop thinking about you, I'm trying  
I don't know why you do the things you do  
This was fun high five our time is up  
I guess I'll see you around, see you around, see you  
around

No, no, take it or leave it, no, no I take it we're leaving  
No, no, take it or leave him, no, no I take it you're  
leaving

Trying hard to have a good time  
Trying hard to have a good time  
Trying hard to have a good time  
Trying hard to have a good time

No, no, take it or leave it, no, no, I take it we're leaving  
No, no, take it or leave him, no, no, I take it we're  
leaving  
No, no, take it or leave it, no, no, I take it we're leaving
