(Breakthrough!)  
Caught in this place  
Feeling alone  
Caught in my head  
With no place to go  
(Nowhere!)

Stuck here without  
Your dying wish  
Stuck here with you  
And your dying kiss  
(Now!)

Don't you confuse me  
with all of your lies  
Don't you defend me  
then tell me to die  
Won't you accept me  
and tell me I'm fine  
Won't you deny me  
and kill me inside (inside!)

(Saves me!)  
Caught here tonight  
Feeling so lost  
Caught with my pride  
And now I'm gone  
(I'm gone!)

Stuck here tonight  
With nothing to say  
Stuck in a lie  
You're dying away  
(Lost truth!)

Don't you confuse me  
with all of your lies  
Don't you defend me  
then tell me to die (die!)  
Won't you accept me  
and tell me I'm fine

Won't you deny me  
then kill me inside (inside!)
