

Silent Confessions

"Fish Population Dynamics"

Visit "[Fish Population Dynamics](#)" on MotoLyrics.com

(Falling away from life)
Your words cut through me like a knife
Feeling this pain inside
I wish there was someplace to hide!

Nothing I can say is right
Everything I do is wrong!
Loneliness puts me to shame
All I have is you to blame!

(Stagger, Deceleration)
Our fear was the creation
Running back through time
Mazes in our minds!

Nothing I can say is right
Everything I do is wrong!
Loneliness puts me to shame
All I have is you to blame!

Nothing I can say is right
Everything I do is wrong!
Loneliness puts me to shame
All I have is you to blame!
