(one, two, three, four!)

Hopeless emotions
Take me deeper
Selfish lies
Make us steeper
Keeping faith
Until the end
For hope that God
Himself won't send...

Take me away from all that is left
The angel of life has turned into death
Why has she come, why has she gone?
Sooner or later, I'll have to move on...
(move on...move on...)

Helpless lies
Sent to the abyss
Life has stopped
Since our last kiss
Seeing no way out
No light
You made my world seem
Black as night...

Take me away from all that is left
The angel of life has turned into death
Why has she come, why has she gone?
Sooner or later, I'll have to move on...
(move on...move on...)

Take me away from all that is left
The angel of life has turned into death
Why has she come, why has she gone?
Sooner or later I'll have to move on
Take me away from all that is left
The angel of life has turned into death
Why has she come, why has she gone?
Sooner or later, I'll have to move on!
