"Red Wake"

I hope you die...

And suffer like I do
To tell you the truth
(I hope you die)
Keep nothing from you

You changed my life
To colors black and blue
I'm not over you
I'll show you the proof

Red Funeral
White Wedding
Black skies in the morning,
Red Wake
Blood in the streets
Dance on a gravestone
Black skies in the morning,
Red Wake

I hope you die...

Red Funeral
White Wedding
Black skies in the morning,
Red Wake
Blood in the streets
Dance on a gravestone
Black skies in the morning,
Red Wake

I don't need you, get away
Don't come back another day
I don't need you, get away
Don't come back another day
I don't need you, get away (I don't need you get away)
Don't come back another day (Don't come back another day)
I don't need you, get away (I don't need you get away)
Don't come back another day (Don't come back another day)
