Gimme some chords and a beat that never ends
And I'll give you a part of my soul
This road goes for so many miles,
Been so long since I've seen home

This might mean nothing to you,
But to me it's the only thing that I can do and I
I made it for you and I hope, yeah I hope that you like it
Like it, like it...

Dance for me, dance for me tonight
Light plays with the rain on my windshield
Gimme two hours and a red bull will work fine
I'll be home, I'll be home, I'll be home tonight
Dance for me, dance for me tonight
Light plays with the rain on my windshield
Gimme two hours and a red bull will work fine
I'll be home, I'll be home, I'll be home tonight

Same song, different radio stations
Too bad that my cell phone died
I'd like to tell you that I'm runnin' late
Instead I'm lookin' at broken white lines

This might mean nothing to you,
But to me it's the only thing that I can do and I
I made it for you and I hope, yeah I hope that you like it
Like it, like it...

Dance for me, dance for me tonight
Light plays with the rain on my windshield
Gimme two hours and a red bull will work fine
I'll be home, I'll be home, I'll be home tonight
Dance for me, dance for me tonight
Light plays with the rain on my windshield
Gimme two hours and a red bull will work fine
I'll be home, I'll be home, I'll be home tonight

There's not enough coffee, and there's not enough
time
But a girl at home, she's been on my mind

And the songs on the radio, they all apply
To why I'm coming back for you

Dance for me, dance for me tonight
Light plays with the rain on my windshield
Gimme two hours and a red bull will work fine
I'll be home, I'll be home, I'll be home tonight
Dance for me, dance for me tonight
Light plays with the rain on my windshield
Gimme two hours and a red bull will work fine
I'll be home, I'll be home, I'll be home tonight

Gimme some chords, and a beat that never ends
And I'll give you a part of my soul...
