Captain Straight Man, yeah  
You have a ticket every day  
Captain Straight Man, yeah  
You will be travelling on your way  
Captain Straight Man, yeah  
You have a ticket every day  
Captain Straight Man, yeah  
You will be travelling on your way

Don't try to take away my soul  
Just leave me here with my-y rock and roll  
Captain Straight Man  
You're a brave man

Oh Captain Straight Man, yeah  
?.....? show your point of view  
Oh Captain Straight Man, yeah  
?.....? you're uniform is blue  
Oh Captain Straight Man, yeah  
You've got to see my point of view  
Oh Captain Straight Man, yeah  
I'll live in harmony with you

Don't try to take away my soul  
Just leave me here with my-y rock and roll  
Captain Straight Man  
You're a brave man  
(I've gotta tell you what you are)

Don't try to take away my soul  
Just leave me here with my-y rock and roll  
Captain Straight Man  
You're a brave man  
You're a rich man (you're a rich ma-an)  
You're a straight man (straight man, you're a straight man)  
You're a brave man (brave man, you're a brave man)  
You're a rich man (a rich man, you're a rich man)

[continues with unrecognisable lyrics]

You're a rich man (you're a rich man)  
You're a rich man (you're a rich man)  
You're a rich man (you're a rich man)
