I try a million miles from home again  
And I try to be here on my own again  
And I travel a million miles from here my dear  
And I try to be here on my own again

And we can't waste any more time  
We try to relate to what we find  
And I can't waste any more time  
And don't be afraid to be alive

And I can't say, I can't say I wasn't afraid  
Afraid to be here  
I can't say, I can't say I couldn't relate, uhuh  
And I can't say, I can't say we will be Ok  
We will be Ok  
And I can't waste, I can't waste another day, uhuh

Yes I've tried a million miles from home again  
And I've tried to be here on my own again  
And I've traveled a million miles from here my dear  
And I try to be here on my own again

And we can't waste any more time  
We try to relate to what we find  
And we can't waste any more time  
And don't be afraid to be alive

And I can't say I can't say I wasn't afraid  
Afraid to be here  
I can't say, I can't say I couldn't relate, uhuh  
And I can't say, I can't say we will be Ok  
We will be Ok  
And I can't waste, I can't waste another day, uhuh

And we can't waste any more time  
We try to relate to what we find  
And I can't waste any more time  
And don't be afraid to be alive

And I can't say I can't say I wasn't afraid,  
Afraid to be here

I can't say, I can't say I couldn't relate, uhuh  
And I can't say, I can't say we will be Ok  
We will be Ok  
And I can't waste, I can't waste another day, uhuh
