Sssst, hey, hey girlie, over here

I was walking through the park
Looking for strangers
There was something in the dark
Doop, doo-doo-doop, doop, doop, doo-doop
Then I jumped back in a fright
Was there a danger?
I knew something wasn't right
Doop, doo-doo-doop, doop, doop, doo-doop
Doop, doo-doo-doop, doop, doop, doo-doop

Come out, I know that you're there
I have a gun, so you'd better beware

Stop, in the name of the law
If you want, you have the right to protest
Stop, in the name of the law
This is the Central Park Arrest

Didn't know what I should do
She was on patrol
Was there one or was there two
Doop, doo-doo-doop, doop, doop, doo-doop
I felt something coming near
Losing her control
And I shot out in the air
Doop, doo-doo-doop, doop, doop, doo-doop
Doop, doo-doo-doop, doop, doop, doo-doop

Come out, I know that you're there
I have a gun, so you'd better beware

Stop, in the name of the law
If you want, you have the right to protest
Stop, in the name of the law
This is the Central Park Arrest

It was my duty to shoot, sir
He made an advance
Yes he did, yes he did

The report is as follows
I gave him a chance
Yes you did, yes you did

I was walking through the park
Looking for strangers
There was something in the dark
Doop, doo-doo-doop, doop, doop, doo-doop
Then I jumped back in a fright
Was there a danger?
I knew something wasn't right
Doop, doo-doo-doop, doop, doop, doo-doop
Doop, doo-doo-doop, doop, doop, doo-doop

I said come out, I know that you're there
I have a gun, so you'd better beware

Stop, in the name of the law
If you want, you have the right to protest
Stop, in the name of the law
This is the Central Park Arrest
You have the right to remain silent
Stop, in the name of the law
And I must warn you, that anything you say
Will be taken down and then used as evidence against
you
F**k off
Stop, in the name of the law
If you want, you have the right to protest
Stop, in the name of the law
This is the Central Park Arrest
