Locked In Daydream
Fire Within Me
For One Fleeting Moment Before I Return
Petals From Your Roses
Postcards And Poses
Memories Of A Love We Earned
I Thought It Would Take More Time
To Get This Infatuation
But You Crept Into My Soul
No More Need For Patience
I'll Take You On
Baby Love Pour Me In
Pour Me In To Your Heart Baby Love
Pour Me In Pour Me Into Your Heart
Baby Love Pour Me In Pour Me Into Your Heart
Cause I don't Want To Feel Like I'm Missin
This Love I've Been Given, Oh No.

So In This Space That We Share
Take All That I Have To Spare
Just Allow Me To Keep My Ear Whisper Away
For Whenever The Time Soon Come
When You're Ready To Move As One
I don't Wanna Feel The Slightest Delay
Well Never Again When The Feeling Arise Of Lonely
Desperation
No More Meaning For An End Without Seperation
Come Take Me On, Baby Love
Pour Me In Pour Me Into Your Heart
Baby Love Pour Me In Pour Me Into Your Heart
Baby Love Pour Me In Pour Me Into Your Heart
Cause I don't Wanna Feel Like I'm Missing
This Love, This Love, My Love
Pour Me In Pour Me Into Your Heart Baby Love (x 3)
Cause I don't Wanna Feel Like Missin All The Love That
You're Givin Me
Pour Me In (x 4)...
