Make it go away  
My head is aching and all the answers  
that I've tried to find goes out of reach

I can't help the way I feel it makes me sick  
I'm tied to this neurotic mind that I've never asked for

I can't pretend to care  
even though I try it always shows through  
Oh, I hate to feel this apathy.

I can't help the way I feel it makes me sick  
I'm tied to this neurotic mind that I've never asked for

I ask for a bit of attention  
Cause something is obviously wrong with me  
I feel like these walls are closing in on me

I can't help the way I feel it makes me sick  
I'm tied to this neurotic mind that I've never (help)

I can't help the way I feel it makes me sick  
I'm tied to this neurotic mind that I've never asked for
