I had a dream
One night within my secret place
She came here and told me
The truth hurts more than everything
Teardrops falls on my pillow
When she'd gone the snow felled all around

Declivous leers like night owl's gaze
At my face
Her green eyes are
The only thing in this white waste
My heart is frozen and iced
The sun is gray it's time to wake
The flame is fading in the wind

She's the queen of all my dreams, the White Minx
She'd wrote a chapter of my destiny
She's the clever Sphinx, the White Minx
She'd wrote the seventh chapter of my life

I hear the call of
A silky mellific voice
Now the moon shines on the black sky
It's the only guide in that dark night
Her red reflex illuminate the way
I have found the truth that was lost

She's the queen of all my dreams, the White Minx
She'd wrote a chapter of my destiny
She's the clever Sphinx, the White Minx
She'd wrote the seventh chapter of my life

The power of your memory
Push me 'till the border of the Earth
In the God's place of birth
I have found the truth that was lost

She's the queen of all my dreams, the White Minx
She'd wrote a chapter of my destiny
She's the clever Sphinx, the White Minx
She'd wrote the seventh chapter of my life
