Alway and Forever...

You Will Stay In My Heart
And Nothin Can Ever Tear Us Apart
You Should Know By Now That I'm Here For You
And I'm Behind All The Things You Do

You Can't Escape My Loving
You'll Never Find No One Else
No One Else...
You Would Miss My Loving
Oh Baby Boy

Keep On Keeping Me
Keep On Loving Me
Keep On Holding Me
Always and Forever
Always and Forever

See I Know It's Hard To Find a Guy Like You
And I'm So Thankful That I Got You First
And It's Not Easy Havin You Come Home Late
And You Say You're So Tired You Never Even Touch
Your Plate
But I Hope That You Don't Think You Could Leave Me
Cause You and I Know You Need Me

You Can't Escape My Loving
You'll Never Find No One Else
No One Else...
You Would Miss My Loving
Oh Baby Boy

Keep On Keeping Me
Keep On Loving Me
Keep On Holding Me
Always and Forever
Always and Forever

Sweet Baby Boy
I Love The Way You Caress Me When I'm Feeling Real

Bad
Lovely Kisses
Your Kisses and Hugs Tell Me You Care
Your Deep Personality
How How Sweet
You Treat Me
I Can't Believe All Of The Love You've Given Me
And Your Promises You Keep
Kept For Me
Can't You See
You Can't Break Them Now
I'm So Caught Up Right Now

Keep On Keeping Me
Keep On Loving Me
Keep On Holding Me
Always and Forever
Always and Forever

See Baby
I Can't Understand
Why You Made Me Feel This Way
You Bring Me Up and Down
But What I Found
Can't Tear Us Apart
We Might Argue and Disagree
But You're The Only One Keeping Me
And For That I Say Thank You Baby
But I See That I Might Not Give You Everything You
Want
But I'll Be Sure To Give You What You Need
And Right Now
You Need Me
I Love You
