tell me why you treating me this way  
all i do is try to make you happy  
boy is there anything you wanna say  
something like an apology  
you used to make me go in circles  
round and round i used to stay like this  
but now i feel like im being dissed  
i miss those days when you didnt treat me like shit

you said you'd always be there for me in a nik of time  
you said no matter what baby girl ill be here down to  
ride  
now you dont call me or send me flowers or cards  
boy you need to start explaining yourself  
you need to be trying real hard

tell me why i dont hear from you  
tell me why i dont recieve flowers from you anymore  
tell me why you cant pick up the phone and say that you  
make our date  
tell me why you cannot tell me the truth  
tell me why youre making me suffer too  
is there a reason  
is there a reason  
just tell me why

on the radio all i hear is sad love songs  
they be playin on the radio all day long  
tell me boy what did i do wrong  
cause im not about to beg no this is my home  
who would've thought i would lose my man  
no reason why  
who ever thought that my boo would make suffer and  
cry  
who would've thought that the man who said he loved  
me so  
never ever calls no more and boy im losing all control

you said you'd always be there for me in a nik of time  
you said no matter what baby girl ill be here down to  
ride

now you dont call me or send me flowers or cards  
boy you need to start explaining yourself  
you need to be trying real hard

tell me why i dont hear from you  
tell me why i dont recieve flowers from you anymore  
tell me why you cant pick up the phone and say that you  
make our date  
tell me why you cannot tell me the truth  
tell me why youre making me suffer too  
is there a reason  
is there a reason  
just tell me why

RAP FROM CASSIDY

tell me why i dont hear from you  
tell me why i dont recieve flowers from you anymore  
tell me why you cant pick up the phone and say that you  
make our date  
tell me why you cannot tell me the truth  
tell me why youre making me suffer too  
is there a reason  
is there a reason  
just tell me why
